

the 16th Annual Gulf Insurance Forum
Wednesday - Thursday 16-17 October 2019
Stella di Mare Marina Hotel Dubai

Under the patronage of His Excellency Engineer / Sultan bin Saeed Al Mansoori - Minister of Economy and Chairman of the Insurance Authority and with the participation of 140 insurance experts from 7 Arab and European countries, the 16th annual Gulf Insurance Forum was held in cooperation with the Emirates Insurance Association on Wednesday and Thursday, corresponding to 16-17 October 2019 in Dubai, under the slogan:

Social insurance and savings funds and their relationship to insurance.

Forum Recommendations:

- 1- The importance of providing social protection for the various categories of workers by providing social insurance systems to protect the beneficiaries from exorbitant expenditures and minimizing risks in the event of shocks.

- 2- The necessity and importance of developing the current pension systems, which contribute to the development of financial markets in the countries of the Gulf Cooperation Council.

- 3- The necessity of securing the basic needs of the insured and members of his family by providing him with a steady income and contributing to achieving job stability for the working person as an incentive to work and building a positive relationship between workers and the employer.

- 4- Working to develop retirement programs for residents under government supervision, to provide more social and financial stability for workers, support confidence and stability in the local economy and the labor market, and invest the funds of those funds in long-term projects.

- 5- The importance of financial consulting in various aspects of financial work, which includes many sectors such as transactions in stocks and securities, and the importance of evaluating projects and the need for mergers and acquisitions.
