=====

Emirates Insurance Association in collaboration with MMJS Consulting organized seminar focusing on:

**“UAE Corporate Tax for insurance companies | VAT Audit findings–What next for Insurance companies and how to prepare”**

**On 23<sup>rd</sup> of June 2022 at the AL Bandar Rotana- Creek Hotel in Dubai**

The proposed UAE Federal Corporate Tax (UAE CT) will potentially impact all businesses in the UAE, including Insurance Companies. Hence, it is imperative to understand the taxability of income and capital gains for each UAE business well in advance of the effective date.

In this event, Tax experts from MMJS Consulting will share the key concepts of UAE Corporate tax and important practical insights for Insurance companies.

Further, recently the FTA requested certain information from many Insurance companies. VAT experts from MMJS consulting will shed light on the next steps and potential exposure areas for insurance companies and how to mitigate them.
